ABOUT THE ARTIST

View “Kaddish”, a magnificent portfolio by Moshe Gershuni, among the most significant contemporary Israeli artists, illustrating the poem written by the American Jewish beatnik poet Allen Ginsberg on the death of his mother.

The portfolio includes 24 images screen-printed on goldleaf next to the original text with Hebrew translation by the eminent Israeli poet Natan Zach. Gershuni’s passionate and deeply personal work reflects the challenges of Israeli life, often addressing grief and memory with symbolic images of wreaths.

One part of the portfolio will be displayed at each location, alongside other artworks by Gershuni.
