SOURCES OF FUNDS

In addition to the 2025 Campaign, the Federation received and allocated \$1,041,000 from United Way Services, and \$629,336 from Prior Year Collections (PYC).⁽³⁾ Those dollars supplemented allocations to partner agencies to fund unmet community needs.

Total funds allocated after allowances for Campaign costs, collections, and centrally administered services were \$34,603,829.

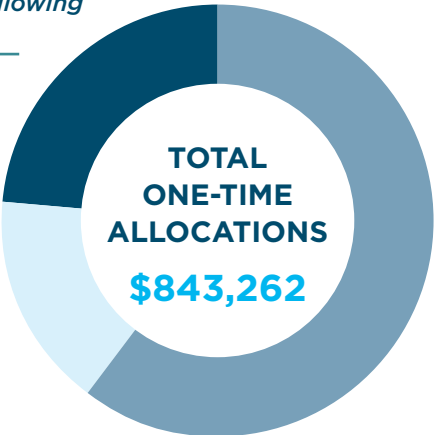

Included in the above figures are the following one-time allocations (see footnote 1)

OLDER ADULTS SERVICES
\$510,000

EDUCATION AGENCIES
ONE-TIME REQUESTS
\$136,637

HUMAN SERVICE AGENCIES
ONE-TIME REQUESTS
\$196,625

(1) The one-time allocations repurpose the funds previously designated for Menorah Park. For FY26, rather than incorporating this former allocation into any agency's core funding, the Allocations Committee recommends distributing the funds as one-time allocations. These allocations will support essential older adult services, in alignment with recommendations from the Community Planning Committee's Older Adults Task Force, and to provide additional one-time support to strengthen local beneficiary agencies.

(2) More than twenty years ago, the Commission on Jewish Continuity (COJC) recommended, and the Federation adopted, a funding mechanism to greatly improve Jewish education in our community, with the goal of assuring a more educated and committed Jewish population. The funding mechanism provided additional resources for Jewish education from three sources - leading families in the community, the Endowment Fund, and the Federation itself, through the annual campaign. The funds from the families and the Federation are provided to a specific funding vehicle called the Fund for the Jewish Future. Continuing the community's practice, funds provided by the families, though earmarked for this specific purpose, are integrated into the final results of the Campaign for Jewish Needs.

(3) PYC are the funds collected on annual campaigns over and above what was expected and allocated. The Federation Officers and Allocations Committee are requesting the Board of Trustees approve \$629,336 from PYC. this year.
