ABOUT THE EXHIBITION

The visual arts in Israel are vibrant and varied. Artists employ different approaches and themes often based on a common cultural experience or are influenced by international trends.

The works from local collections in *Contemporary Visions of Israel* illustrate the diversity and vitality of modern Israeli art.

The exhibition includes artists' reactions to October 7, representation of "The Land of Israel," and the emergence of Israeli artists in the international art world.

To schedule group tours or individual visits, email israelarts@jewishcleveland.org or call 216-593-2900.
