

# Create an **ISRAEL** Poster

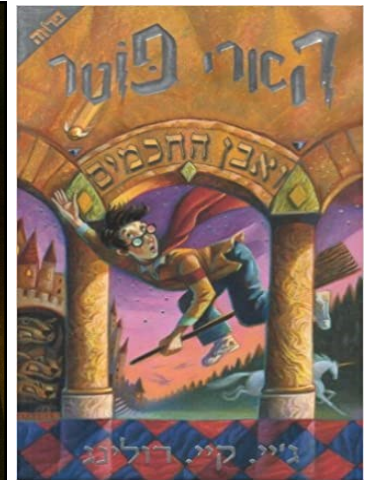

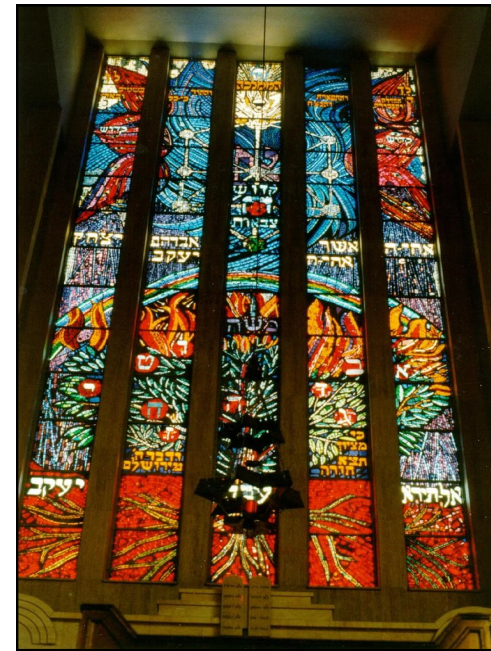

Feeling creative?

Make a poster in honor of Israel's birthday!

1. Print the photos on pages 2 & 3, then cut out the ones that you really like.
2. Grab some extra supplies - glue, glitter, tissue paper, wrapping paper, markers, watercolors, whatever!
3. If you have larger paper at home, feel free to use that for your poster OR print page 4 for your background.
4. Get creative - glue, paint, color, sprinkle ... go for it!

Take a picture of your poster and share it  
via social media.
